

BLENHEIM HOUSE

WEDDING BROCHURE

2025/2026

W H Y U S ?

At Blenheim House, we offer more than just a stunning venue.

We provide a seamless, personalised experience rooted in elegance and heritage. Our beautifully preserved Victorian architecture sets a timeless backdrop for your special day, while our team ensures every detail is handled with care.

With flexible event spaces, 20 solid years of experience, and our in-house kitchen led by MasterChef, Chris Hale, your wedding is in expert hands from your first viewing to the DJ playing one last song.

We have collated a list of recommended partners, who know and understand the venue, ensuring every part of your day is taken care of.

However, also provide the flexibility of allowing you to bring in your own suppliers, if there is someone you want to use on your special day.
